REC'D

Legal Coun.

Sir:

In this application the undersigned received the corresponding documents from a foreign patent attorney for filing a national phase U.S. patent application. The foreign patent attorney and the inventors were not aware of the deadline for entry of the national phase of corresponding PCT applications. Therefore it is believed that the U.S. application is abandoned.

It is respectfully submitted that the abandonment was unintentional. It is therefore respectfully requested to revive the abandoned application and to maintain in it the corresponding foreign priority.
